Choose from any of the following – we can tailor any of the packages depending on what you are looking for – so please ask us.

➤ Young Falconer Experience £35.00

This is a short 1 hour session specifically for the 8-15 age group and includes a free adult to accompany if wished. As with any young children interaction with animals and particularly birds of prey needs to be under strict controlled conditions for the safety of the child and the bird.

We will use our calmest and even tempered birds in this experience and each child will have the opportunity to fly and handle the birds.

➤ Breakfast with the Hawks & Owls 10am start 1 hour = £35.00 / 2 hours = £50.00

This is an opportunity to start with a Full English prior to putting the glove on and flying either the owls or hawks or both... you will be fully involved from the start and learn a little about how we keep and train our birds, health care, breeding and the basics in law of keeping them. Your time of 1 hour or 2 will start after breakfast has been enjoyed.

➤ Afternoon Tea with the Hawks & Owls 1pm start 1 hour = £35.00 / 2 hours = £50.00

This is an experience for an afternoon to be rounded off by tea and home made cakes in the Tea Room as your session finishes. You will handle and fly our Birds and be fully involved in this right from the start. You will have the opportunity to learn about feeding, training, health care and breeding as well as the law surrounding the keeping of birds in captivity.

➤ School Visits

Would you like us to come to your school with our birds... a great many schools have invited us already so we know what we are doing!

We can tailor a visit to the ages and key stages of the class – just ask one of us – or leave your contact details. Cost is dependant on the location of the school and how long you would like us for.

➤ Spectators

Spectators are welcome to accompany the participant and act as "camera crew" and prices start at £6.00 – Breakfast / Lunch can also be included if wished – please ask us if you would like this added in.

➤ Double Experiences

Whilst this is primarily for "one to ones" if you would like to share the day with someone then double up on the day and each of you will receive a 20% discount on the individual cost.

And once the experience is over – then please stay if you would like to and see who else lives here!
